Agio Technology offers enterprise-quality hosted email grounded in the latest technology available to the market. Leveraging the latest Microsoft communications packages, this represents a unique offering in the market space that delivers complex messaging and collaboration services with surprising simplicity.

SYSTEM RELIABILITY | Through the process of creating live and backup copies of your data, we preserve data integrity and availability. The result is a true 99.999% uptime guarantee by SLA, and backed up by multiple Tier 4 datacenters.

DATA SECURITY | With our data isolation feature, your data is only visible and accessible to and by you. From our secure data centers to the data on the disc, our process maintains information integrity every step of the way.

THE AGIO PROMISE

EXPERIENCED ENGINEERS WITH DEEP HEDGE FUND PEDIGREE

We are a multi-disciplined services team with a collective 25 years of hedge fund experience. We know your business from the inside-out.

FLEXIBLE SOLUTIONS

We don't concern ourselves with 'scope creep.' We understand sometimes you'll need a little more, and sometimes you'll need a little less. There is no Agio line-in-the-sand. We understand your business isn't rigid. Neither are we.

NO START-UP COSTS

We're not here just to get you started. We're here to keep you running.

USAGE-BASED BILLING

We only bill you for what you use. For us, this is self-explanatory.

UNLIMITED SUPPORT

Call us whenever you need us — no one is keeping track.

AVAILABLE 24x7x365

You're not waking us up. Agio's A-Team is available at any, and every, hour.
